Report of Principal and School Improvement Council

DuBose Middle School is located in the northern part of the district in the Knightsville area. The mission of DuBose Middle School is to provide a safe environment where all students can learn at their highest level. Our vision is to provide each of our students with the skills necessary to become productive citizens through the provision of a nurturing environment with rigorous and relevant learning, and to provide an environment where staff, parents and community work together to provide challenges and opportunities for each student to reach their full potential. DMS received an absolute rating of Good on the 2013 school report card. This year the student body demonstrated their academic abilities during the SPAWAR Dimension U Math competition, Math Counts, Low Country Quest Competitions, Quiz Bowl, spelling bees, Storm the Citadel Trebuchet Competition, and other academic competitions. Our band and chorus received superior ratings in statewide competitions. Our steel drum band is the largest middle school steel band among public schools in the nation. They received a superior rating and 1st place in the middle school steel drum category at the Music USA Festival in Orlando, Florida. Our athletic teams continued to excel as the runners-up in district playoffs in volleyball, baseball, wrestling and softball.

DMS continues to try to close achievement gaps in all academic areas. Analysis of our 2013 SCPASS scores and other assessment data shows that our students are progressing. We use the Scholastic Read 180 program in all grades to address the needs of struggling readers and the Do the Math Now curriculum for those struggling in math. Instructional technology is used with SMART Boards, wireless laptops, MP3 players, iPods and computer labs. We also use the Compass Learning Program and Insiders Courtyard tutoring to assist students to achieve at their own pace. Assessment data is used to identify areas of students' strengths and deficiencies. We continued to communicate with parents by utilizing the web-based Parent Portal in Power School. Parents can access students' grades, attendance, discipline and other student information through this system. ParentLink communication system and weekly classroom and homework agendas are also used to keep parents informed and involved in their students' learning. The school website, parent focus meetings, and a text messenger service are used to address the challenges of home-to-school relations. Teacher professional development continues to focus on best instructional practices that include differentiated instruction, explicit direct instruction, Target Teach, and ENI formatted lesson plans to help address the varied needs of our students. Implementation of technology initiatives and differentiated instructional practices were a continued focus of our staff development this school year. The DMS faculty, staff and students continue to show their P.R.I.D.E. every day.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	86.9
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

DuBose Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
